

Drivers entering the PCC Gliwice Terminal are obligated to obey below rules and recommendations:

1. Please listen to CB radio channel 2, AM (if the vehicle is equipped in one). Use CB radio only if necessary. It's forbidden to carry unnecessary conversations on this channel.
2. Entry to the container terminal area takes place through a buffer parking after obtaining a clear permission from the terminal staff.
3. Wear a high-visibility safety vest and protective helmets at all times.
4. It is forbidden to enter and stay under gantry cranes and on rail tracks. Also unnecessary travelling around the terminal and walking under lifted containers is prohibited.
5. Entering the truck lane under gantry cranes only upon clear request of terminal staff.
6. Follow road markings, traffic signs and staff instructions related to moving around the terminal.
Attention! Reachstackers are moving across the terminal and between storage blocks. You are obligated to be very careful before crossings and make sure you can pass safely. Make eye contact with the operator when passing the reachstacker.
7. Reachstackers and other terminal vehicles with yellow beacon lights always have priority when moving around the terminal.
8. Speed limit on the terminal is 20 km/h
9. It is **absolutely forbidden to drive under lifted containers**. If the gantry crane/reachstacker is moving please stop and wait to pass safely.
10. The gantry crane operator besides the external speaker and CB radio may give the following instructions: two beeps: to move back, one beep: stop/ move forward.
11. When (un)loading you are obligated to park precisely along the sector, parallel to axis of the passage.
12. During the (un)loading you should **stay in the cabin** by all times unless clear request from the terminal staff. If so **stay outside the truck cabin, in front of the vehicle, in a place noticeable to the operator** and monitor the situation.
13. **No smoking or open fire** on the terminal. Smoking is allowed in designated areas only.
14. Using phone is not allowed while driving on the yard.
15. U-turns are possible only in designated areas.
16. Do not drive too close to containers, wagons, buildings and railtracks.
17. Truck cabin should be clearly marked with the registration number.
18. No passengers allowed on the terminal.
19. You are responsible for any contaminations (leaks) and damages caused by your vehicle.
20. Turn off the truck engine if your planning to stop for more than 5 minutes..
21. The terminal staff can refuse to service the driver if he does not obey above rules.

NAME AND SURNAME	PHONE NUMBER	DATE	SIGNATURE
